ON-SITE CLAY PIGEON SHOOTING EVENTS

With our on-site clay pigeon shooting packages starting at only £25 per person, you will find North East Shooting's clay pigeon shooting events much more affordable than you may have thought.

Hosting a clay pigeon shooting event with other services you offer allows your guests to make the most of all the facilities on offer and maximise revenue all in one place.

Working with a range of customers, we have provided clay pigeon shooting events as part of structured packages that also include fishing, golf, quad biking and hog roasts.

We work closely with you to build the right event for your customers. Whether it's a stag or hen party, birthday celebration or even a 'shotgun wedding' we can provide the added excitement of an on-site clay pigeon shoot.

We work closely with the Police to licence all events and have full public liability insurance for your peace of mind.

THE ON-SITE EVENT PROCESS

All on-site clay pigeon shooting events must be fully licenced by the Police. This process is undertaken by North East Shooting on your behalf and once the license is approved you can be granted the permission to host clay pigeon shooting events to members of the public for one off events or licensed for a period of time.

The application process is free and is usually approved within 4 weeks from the application being submitted.

In order to be granted this licence we will work together to create a risk assesment, safety policy, emergency action plan and choose the right area to host the shoot.

North East Shooting provide services nearly every weekend through March to the end of September.

EVENT IDEAS AND PRICING

Creating a succesful event is easy. We look at what you do best, be that fishing, golf, food or weddings and then come up with ideas that will work around your services.

Catered evetns that have worked well in the past include Curry 'n' Shotgun, Pork Pie & Pump Action, Steak and Shooting or BANGers and Mash.

We offer clay pigeon shooting packages starting at £25 per person for 25 shots and clays. We can simply adjust costing depending on how many shots and clients you would like to have at any events.
